EXPERIENCE

Greet LABS PVT LTD , Bangalore — *Internship , Trainee*

SEPTEMBER 2024 - PRESENT

I worked as an Internship Trainee from June 2024 to the present, gaining invaluable hands-on experience in full stack web development. This role allowed me to apply my technical skills in a professional setting, working on a variety of web projects and collaborating with a talented team of developers.

EDUCATION

Periyar Maniammai Institute of Science & Technology , Thanjavur— *BCA*

2021 - 2024

CGPA - 6.47

I recently graduated with a Bachelor of Computer Applications (BCA) from Periyar Maniammai Institute of Science & Technology in Thanjavur, spanning the years 2021 to 2024.

St Joseph's Higher Secondary School , Cuddalore— *HSC*

2019 - 2021

I completed my schooling in the Bio-Maths group at St. Joseph's Higher Secondary School in Manjakuppam, Cuddalore, during the years 2019–2021.

PROJECTS

EMOTION BASED MUSIC PLAYER - AI Powered — *Python*

The project aims to create a facial expression recognition system with a music recommendation feature to enhance user interaction and emotional response.
